Here's a New Sausage Recipe

Miller's Sausage in Pastry Blankets:

1 lb. Miller's Pork Sausage
2 cups flour
4 teaspoons baking powder
1 teaspoon salt
2 tablespoons shortening
¾ cup milk

The Miller's sausage should be placed in the oven to bake partially. Mix the flour, baking powder and salt together. Work in shortening with the tips of your fingers. Add the milk a little at a time, mixing with a knife to a soft dough. Pat and roll lightly on a floured board to quarter-inch thickness. Cut into strips about the size of a cooked sausage. Remove the partially cooked sausage from the oven and place one sausage in the center of each dough blanket. Press the edges of the dough together and leave the ends of the sausage peeping out. Bake in a hot oven (450-460 degrees) for 12 to 15 minutes.

MENLO PARK NEWS NOTES

FIRE DAMAGES HOME

In a fire started at the home of Mrs. Edna Crane, Birthfield, last Saturday, several pieces of her valuable furniture were destroyed and the interior of the building was badly scorched. Timely arrival of the fire department prevented serious damage.

Miss Lucie Vandergon, a teacher in the local school, returned last Saturday from a four-month trip to Europe. She visited all the capitals of the old world, including Germany, where she spent some time studying social and economic affairs of that troubled country.

W. B. Weir passed away in Chicago on Oct. 20 while on a trip to New York. The funeral was held in San Francisco on Tuesday. Mr. Weir's home on Glenwood Ave. by Middlefield Rd. was one of the show places of the Peninsula. It was erected by the late Mr. Frank of the Frank Tanning Co., Redwood City, many years ago. Mr. Weir was a prominent member of Trinity Episcopal Church and was a heavy contributor to it support.

Menlo Parlor of Native Daughters of the Golden West will give a card party in the Central School Thursday evening, Nov. 3, for the benefit of the homeless children. Valuable prizes will be awarded, including a door prize of $5.

Philip Bancroft, Republican candidate for United States senator, invaded the home of his opponent, Sheridan Downey, Wednesday. He addressed a large crowd on Santa Cruz Ave. by the highway. Mr. Bancroft made a splendid impression upon his listeners.

Thomas Glynn has returned to Hollywood after spending the weekend with his mother. Mr. Glynn is a well-known and talented singer and has appeared in numerous pictures in Hollywood. Mr. Glynn is a graduate of St. Joseph's Parochial School. He went to Hollywood some years ago and has made good in the movies.

W. J. Casey, the veteran duck hunter, killed the limit last Sunday at the local marshes. Mr. Casey says the game is plentiful and it is easy to secure the limit of ten ducks in one day.

The women's auxiliary of the Presbyterian Church gave a pot roast dinner in the social hall of the church Wednesday. There was a large attendance and all gave credit for the tempting repast to the ladies who provided the dinner.

A retreat, going on all week at Corpus Christi Monastery, will end today. Many laywomen made the retreat, which was conducted by a Franciscan priest from Marin county.

Pres. Marguerite Blanchard, Nat. Dept. Chairman Dora Devol, Jr. Chairman Genevieve Cook and Sec. Elizabeth Lyon, all of Menlo Park American Legion Auxiliary, attended the school of instruction given by Dept. Pres. Florence Chess of San Mateo. Over 400 attended the session. Misses Blanchard, Devol and Cook each won one of the 20 prizes.

Genevieve Cook, chairman of junior activities, has her plans all ready for the Halloween party to be given in the American Legion Hall Sat. Oct. 29 by the junior auxiliary. Sons of the Legion will be guests.

Menlo Parlor, Native Daughters of the Golden West, will give their Annual Homeless Children's Card Party in Central School Auditorium Thursday, Nov. 3, at 8:15 p. m.

Lions' Club Halloween party will be held Monday, Nov. 3. With weather permitting, the celebration will be held in the field adjoining the fire house. All children in the community are invited to attend in costume. Prizes will be awarded for the best one.

Mrs. Pauson Seeks To Question Mate

Mrs. Alice Pauson of Atherton took the offensive in the divorce contest with her wealthy mate, Edward H. Pauson, when she filed here in the superior court a notice of motion to compel him to answer questions propounded at a deposition Oct. 12 in San Francisco.

Questions which Pauson refused to answer on advise of attorney were listed with the notice of motion.

MOVIE STAR AT STORE OPENING

Dixie Dunbar (above), Hollywood's dynamic singing and dancing star and toast of Broadway, will appear in person today and tomorrow at the opening of Palo Alto's new Lucky Market at 320 University Ave., to offer songs and entertainment. Her appearances are arranged for each afternoon from 3 to 4. Bennie Walker, of radio fame, will be present as master of ceremonies. Tantalizing music will be furnished by Leonard Auletti's Rhythm Makers. Everyone is invited to the gala occasion.

SPOOK SHOW SET SATURDAY AS MIDNIGHT ATTRACTION

The Fox Sequoia Theatre has booked for a midnight stage attraction, Francisco, the mystic, in his horrific "Spook Show," said to be America's most outstanding illusion attraction.

Delving into the mysteries of the great beyond, Francisco reportedly produces slate writing by spirits, talking skulls, floating ghosts, and a host of unbelievable and fantastic illusions. One of the most sensational of the hair-raising stunts promised Sequoia Theater midnighters will be the decapitation act. You might be the one who will walk back to your seat with your head in your hand.

Whatever happens, Manager Hal Honore promises that if you have a weak heart you'll be carried home on a stretcher.

"Make up a party, enjoy Halloween in the supreme manner, thrill to the ghostly apparitions, the uncanny mysteries of a real flesh and blood .. . or shall we say . . . ectoplasm show, presented right on the platform in front of your eyes," says Honore'. "When the light go out it will be every man for himself, with all of the devil's agents set loose on an unsuspecting public to thrill, to chill and to horrify you."

On the screen at this special show will be Warren Williams' "Case of the Howling Dog."

A special 40c admission is required to see this show. Tickets are now on sale at both the Redwood and the Sequoia Theater, where the spook show will be staged.

'Mum 'Big Push' Under Way Here

Tuesday was the "day of the big push" in the chrysanthemum industry which brings hundreds of thousands of dollars in yearly income to San Mateo County.

For dozens of growers, special inspectors under County Agricultural Commissioner Max J. Leonard were certifying the big blooms for out-of-state shipment. Most of them were bound for New Orleans.

Leonard predicted that this year's crop would be from 10 to 33 per cent larger than last year's, although the "big push" would not be as large as a year ago. Only eight or nine cars, he said, would be shipped this week compared to 12 last year at this time. However, he pointed out, the shipments have been distributed over a longer period.

Prices, he said, are good and the quality of the 'mums is better than ever. The growers narrowly avoided serious loss last Sunday when a light rain fell. The precipitation was not enough to damage the blooms, Leonard said, although additional labor was required to dry them prior to boxing.

MOLD FIRE EXTINGUISHED

A fire which smouldered in leaf mold for 12 hours before county forest service men could locate it was extinguished this morning. The blaze was reported at 5:30 p.m. yesterday from the Kings Mountain grade, half mile west of Woodside.

CHEST DRIVE TO CONTINUE: $6800 PLEDGED

With Redwood City's Community Chest being gradually filled, directors announced today through Pres. J. Elmer Morrish that the campaign would be continued until every person in Redwood City had been contacted, if possible.

The $6800 mark in actual pledges and contributions has been reached, and enough more is in sight to three-fourths fill the chest, goal of which had been $10,000, Morrish said.

"It looks as if we shall get at least $8000 or $8500, if we stay with it," Morrish said, "and we might yet reach our full goal. Lots of people who should have subscribed haven't as yet done so. We'll continue the campaign until we see everyone for whom we have a card."

Tom Kane, who organized the drive, has finished his work with the chest and is devoting his time to his candidacy for county controller.

ONE PEA YIELDED 1100

DRESDEN, Tenn. (AP) — Last Spring John Lintz sowed one pea seed. He planted and replanted until his final crop from the one seed was 1100 peas.

If you want to keep it a secret, don't put it in the Want Ads.

Liquor Store Owners Deny Sales Charges

Richard Anglasay, Brisbane tavern proprietor, and Guglielmo Armanino, San Mateo store owner, both charged with selling liquor to minors, entered pleas of not guilty in the juvenile court Monday afternoon. They were arrested after a San Mateo youth, who wrecked an automobile in San Mateo, told police he had purchased liquor at both places.

Here are the FACTS about PROPOSITION #1

***Read this statement carefully. It shows why you should* VOTE "YES"**

(STATEWIDE ELECTION — NOV. 8)

Note the Fairness and Justice of this Act:

WORKERS CAN ORGANIZE —
(and bargain collectively without interference).

WORKERS CAN STRIKE —
(but no sit-downs, nor seizures of property).

WORKERS ON STRIKE CAN PICKET —
(but with reasonable regulations and only peaceful methods).

WORKERS ON STRIKE CAN BOYCOTT —
(but only their own employer).

BUT NOBODY CAN —
interfere with free use of the highways and wharves by farmers or anyone else.

NOBODY CAN carry on MASS picketing.

NOBODY CAN use coercion or intimidation to force free citizens to join unions, or not join them, or other un-American practices.

NOBODY CAN use the excuse of "hot cargo" for boycotting or picketing because a union official declares a commodity "unfair."

NOBODY CAN boycott those with whom they have no quarrel. In brief — no secondary boycotts.

Philip Bancroft

Fighting Farmer . . . Level-headed Executive

U. S. SENATOR

Do something for yourself — to better those conditions of State and Nation which have hurt us all.

Do it by electing Philip Bancroft United States Senator!

Philip Bancroft raises ***your*** voice against the ***causes*** of depression—against Utopian schemes whether for State or Nation — against vicious trade treaties that permit foreign nations to dump $2 worth of their produce here, while buying only $1 worth of ours.

He raises ***your*** voice against un-American and subversive radical activities—against National Labor Relations Board favoritism to the C.I.O. and its prejudice against the A. F. of L. and employers.

He raises ***your*** voice in ***favor*** of prosperity soundly founded—in favor of labor peace and impartial labor administration—in favor of free enterprise in business and agriculture—in favor of non-political relief, as relief and not as a career—in favor of tariff protection for American agriculture, industry and labor—in favor of America!

HIRAM JOHNSON SAYS:
"Of course I am for Philip Bancroft for Senator! . . . I am for him because he has honesty, ability, and, above all, courage. . . . In a political world of deceit and hypocrisy he stands forth a new kind of campaigner, who believes in what he says and says it without equivocation."

SMASH the .... "SINGLE TAX"

If a man steals your purse, at the point of a gun,

IT'S ROBBERY!

But if tax cranks and social revolutionists rob you of your home, your farm, your job and your savings,

IT'S YOUR OWN RESPONSIBILITY

Your DEFENSE is in your own hands—in your intelligent use of the ballot.

The discredited, six-times-defeated "Single Tax" will appear as **Proposition No. 20 on your November ballot.**

This ruinous proposal would . . .

Confiscate Homes and Farms by piling Extortionate Taxes on Land—Higher than Taxpayers could pay.

It would wreck trades and industries, skyrocket rents, drain the State Treasury of the funds necessary to pay old age pensions, to maintain the public schools and other essential functions of government.

It would bring chaos, distress and disaster to California.

And Remember: You Can't Vote Sales Tax Out, Without Voting "Single Tax" in. The bait of "sales tax repeal" is a deliberate attempt to snare the unwary voter.

VOTE "NO!" ON No. 20!

HALT THIS *Plunge into* SQUANDER-MANIA!

Proposition No. 13 on your November ballot is a brazen attempt to let down the bars to wholesale public borrowings which would mean . . .

Staggering Debt And New Tax Burdens

This dangerous proposal would **abolish the basic safeguard requiring a two-thirds vote for bond issues!**

It makes it easier to get into debt, but harder to get out!

It would permit the issuance of revenue bonds, IN ANY AMOUNT, by a bare majority of those actually going to the polls. In reality, it would mean that **any district, city or county could be plunged into debt by A SMALL MINORITY**, as only a fraction of the registered vote usually turns out for a bond election.

You can't afford it. Your neighbors can't afford it. No city or district in California can afford it!

Vote "NO!" On No. 13

Four Are Injured In Highway Mishaps

Four persons were injured in a series of five week-end accidents in San Mateo County, according to reports on file today in the Redwood City office of the State Highway Patrol.

Most seriously hurt was Arthur Tracy, 34, Brisbane, whose car rammed the rear of a truck and trailer on Bayshore Hwy. near the San Francisco County line at 10:30 p.m. yesterday.

Tracy was taken to South San Francisco Hospital suffering from a broken right ankle, fractured pelvis, twisted knee, cuts and bruises.

M. B. Ruth, San Francisco, 59-year-old pedestrian, was painfully injured a few hours earlier on El Camino Real at Millbrae when he was struck by an automobile driven by Felita Lee, San Francisco. Ruth suffered a dislocated right shoulder and a fracture of the right leg. He was taken to South San Francisco Hospital.

Taken to Mills Memorial Hospital were Mrs. Henry C. Charpiot and Miss Roland LaPorte, 24, both of San Francisco, after the automobile in which they were riding overturned on Bayshore Hwy. near 19th Ave., San Mateo.

Also taken to Mills Memorial Hospital was Charles Watts, 27, San Francisco, whose car was one of three involved in a rear-end crash at 6 p.m. Saturday at the Bayshore Hwy.-Bay Meadows intersection.

Good Profit Seen In Firemen's Dance

The Veteran Firemen's Dance, attended Saturday night by a crowd which packed Foresters' Hall, may clear as much as $500 for the widows' and orphans' fund of the firemen's organization, A. S. Ligouri, chairman, predicted today.

While definite figures will not be obtainable until all firemen have turned in their unsold tickets this week, Ligouri expressed belief the dance was at least as successful as last year's, when about $465 was netted. This year no house-to-house canvass was conducted, only merchants being solicited. Some 58 tickets for men and 17 for ladies were sold at the door.

Li Po, born 701 A.D., is considered by many critics the greatest of Chinese poets.

Johns Hopkins university and hospital were founded through a $7,000,000 bequest made by a Baltimore merchant of that name.

Do You Want To Pay More Rent?

"Proposition No. 20," now on the ticket for the November election, if adopted, will cause much Higher Rents. This proposition is really for the Single Tax on Land.
Owners of houses now rented will have no choice except to raise rents in order to meet Additional Taxes on Land.

Do You Want To Pay More Taxes?

San Mateo County's average Tax Rate inside the Cities, for the County, the Schools and other Districts is	$3.85 per $100
If "Proposition No. 20," now on the State Ticket is adopted, the Tax Rate will be	$11.84 per $100
Outside the Cities the Present Rate averages	$2.58 per $100
If "Proposition No. 20" is adopted the Rate will be	$8.06 per $100

How Do You Like These Prospects?

In the entire State "Proposition No. 20" will abolish revenue of about $260,000,000 annually—$100,000,000 from the Sales Tax and $160,000,000 from Taxes on Improvements on Land. Home and Land Owners and Renters will have to make that good, somehow.

????????????

CAN YOU EXPLAIN?

Another Challenge to J.J. (I'm proud to be a "yes" man) McGrath

WHY you voted to tax everybody else's earnings—and to exempt your own $10,000 a year salary?

WHY you "rubber-stamped" 44½ billions of expenditures—and the taxes to raise those billions from the rest of us—

AND yet you voted (April 11, 1938) to keep exempt from income tax yours and all Congressmen's $10,000 salaries, while making workers pay tax on all income over $1,000?

The voters of the 8th Congressional District want to know.

VFW Launches '3-R Roundup'

Renewal of all existing memberships, reinstatement of all previous members and the recruiting of new members constitute the purposes of the "3-R Roundup" inaugurated here by Corp. James Lindsay Wilson Post 2310, Veterans of Foreign Wars of the United States.

Comm. Clayton Heald of the local post announced today that "we have 197 paid-up members as of Oct. 15, 1938, with approximately 4000 VFW posts throughout the country, all of which are participating in this drive."

Based on a survey of eligible veterans in this community, Post 2310 has set a minimum goal of 250 active members by June 1, 1939.

Honorable service in the army, navy, marine corps or coast guard of the United States on foreign soil or in hostile waters during a time of war, for which the government of the United States authorizes the issuance of a campaign medal, constitutes the basis of eligibility to membership in the VFW.

Founded in 1899, the VFW is a permanent non-partisan non-sectarian organization, and it extends the hand of comradeship to all veterans who can meet its eligibility requirements.

Senior Vice Comm. C. E. Rudisill is in charge of the drive, assisted by the officers and members of Post 2310.

A $2 shirt may contain as little as 10 cents worth of cotton; a $5 bathing suit, 15 cents worth of wool and a package of cigarettes, less than ½ a cent worth of tobacco.

San Matean Escapes As Train Hits Car

Failure to observe a railroad crossing signal nearly cost the life of Henry Fischer, 55, San Mateo, at the crossing at Maple St. in Redwood City shortly before 8 o'clock Wednesday.

As it was, the rear end of Fischer's machine was grazed by a northbound passenger train, tearing off the bumper, trunk rack and denting the rear end of the body. He was unhurt.

Fischer told Investigating Officers C. V. Stafford and S. E. Douglass that he saw both signals at the crossing working, "looked both ways, proceeded across, and then saw the train a short distance away." He jammed the accelerator of his car to the floorboard to miss being struck squarely by the train.

The machine was able to be driven away.

Does Bladder Irritation

WAKE YOU UP? It's not normal. It's nature's warning "Danger Ahead." Your 25c back if this 4-day test does not help nature flush excess acid and other wastes from the kidneys. FACE PETTY THEFT COUNTS

Dep. Dist. Atty. Louis B. Dematteis Monday afternoon issued petty theft complaints against Stanley Slaywin, 21, Mountain View, and John Belle, 19, from Southern California, on charges of taking copper wire from the Pacific Telephone and Telegraph Co. Sept. 28 in Burlingame. The two youths were arrested by Burlingame police last week.

Settlement of Row Over Road Delayed

Decision of the superior court on the rights and wrongs of a San Carlos right-of-way involving property owned by W. W. Thompson, Redwood City contractor, was delayed for one week Monday by stipulation in Judge A. R. Cotton's court. The court's order restraining city officials and others from removing barriers to the right-of-way will remain in force, the court ruled.

The property involves a road used by the public for 30 years between Palm and San Carlos Aves.

NEON SIGN BRINGS ALARM

Glare from a neon sign was given as the cause of an alarm turned into the fire department at 12:45 a.m. Tuesday—that was the nearest thing to a blaze the firemen could find on a run to Claremont St. and El Camino Real. Someone telephoned the department, from where the general alarm was sounded.

All Equipment Called To Douse Minor Fire

A telephone call, and a fire alarm a few minutes later, brought out every piece of equipment at the Redwood City Fire Department before noon Wednesday to extinguish a minor grass blaze at Ramona and Roosevelt Aves. Firemen said the blaze was limited to a half-acre.

A Three Days' Cough Is Your Danger Signal

No matter how many medicines you have tried for your common cough, chest cold, or bronchial irritation, you may get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

Garlic-Parsley an Aid in HIGH BLOOD PRESSURE

Medical reports say that Garlic-Parsley concentrate has a double action in reducing high blood pressure. First, it tends to relax tightened arteries. Second, it checks or inhibits decomposition of waste matter in the bowels, a contributory cause of high blood pressure. To get concentrated garlic and parsley in odorless, tasteless form, ask for ALLIMIN. These tablets, used repeatedly at regular intervals, aid in reducing blood pressure and relieving headache and dizziness caused by excessively high readings. To learn what raises your blood pressure and for medical treatment consult your doctor. Large box, 50c. Special economy size, $1.00.
